

Mary Queen of Peace Catholic School

2010 – 2011 Academic School Year

Tuition Guide

The parish office determines in-parish tuition status and informs the school office which families are in-parish and will periodically review in-parish status. Those seeking to become active parishioners should contact the parish office at 763-428-2585. It is only through strong sacrificial giving that Mary Queen of Peace parish is able to help subsidize the student tuition.

Student Transfer

Families with students transferring into or out of our school will have tuition calculated using the following method to ensure fair treatment to all parties. The yearly tuition rate will be divided by the months of intended service and then multiplied by the actual months of attendance. Tuition will not be prorated for partial months of attendance.

Example:

Student A is registered and attends school for six of the nine months before transferring. The following shows how the final cost will be calculated:

Tuition- \$2,940 for one in-parish child	$\$2940 / 9 = \327.00
Months of Service- 9	
Months of Attendance- 6	$\$327.00 \times 6 = \$1,962.00$

Student A would owe \$1,962.00 for services rendered.
All fees are non-refundable.
